

Dear Genesis Friend

At Genesis, we unlock value.

Genesis is a leading impact and strategy consultancy that has left its mark in over 100 countries. We are particularly passionate about the four billion people residing in nations with youthful populations across Africa, the Middle East, and Asia - what we refer to as the Young World. Our partnerships extend to the world's foremost foundations, multilaterals, governments, and innovative corporations equipped with rapidly scalable technologies.

As we expand our reach, we're excited to present you with a range of exciting opportunities within Genesis, from Analyst roles to Principal positions. We value your extensive network and believe it holds the potential to unearth exceptional candidates who share our vision. If you're interested or know of individuals well suited for a career at Genesis, we encourage you to explore these roles and consider applying.
