

FINANCE INTERN

HACO Industries is one of the region's leading FMCG manufacturer, supplying a wide range of products to the entire East African and COMESA Markets. As an established Pan African player in the manufacturing sector, we take pride in our Kenyan origins. This has enabled us better understand the African market and therefore develop, manufacture, and distribute quality personal and home care brands that include **MIADI, AMARA, SO-SOFT, SPARKLE, ACE, Haco pegs and rulers**. We are also the only licensed distributor of Palmer's in Kenya.

Our desire is to be able to add value to the everyday life of our customer across Africa.

Developing future workforce is key in our sustainability agenda – SDG 8. To achieve this objective we partner with selected universities and TVETs. The identified graduates go through competitive interview process and the best given the opportunity. After the internship period is over, feedback is given to the learning institution on areas they need to improve in their curriculum with the overall objective of releasing candidates to the job market who are well equipped.

Scope and Primary purpose of the role.

We are pleased to announce an internship opportunity in our Finance Department. As an intern, you will be exposed to 'on job training' and get the chance to work with experienced leaders throughout the program. Through an internship with us you will tackle business challenges that make a real impact. The opportunity will enable you develop your knowledge, skills, abilities and competences needed to support your long-term career objectives.

We do not pay interns but give a stipend of Kes 10K per month. Lunch is provided and the tools of trade. The intern should take care of their transport and living expenses.
