

ISUZU

EAST AFRICA

EXCITING GRADUATE IN TRAINING OPPORTUNITIES

Isuzu East Africa is the leading transport solutions provider in the East Africa region, offering sales and Aftersales service for a wide range of Isuzu vehicle models and UD Trucks.

Driven by our purpose to be a leader in transport solutions, earning customers for life, and carrying out sustainable business, we are committed to excellence, building strong relationships and putting our customers at the centre of everything we do. We have won People Management and ESG related Awards such as the Federation of Kenya Employers (FKE's) Employer of the Year Award (2023) and the Kenya Association of Manufacturers (KAM's) Overall Energy Management Award (2023) among others. We have been market leaders since 2012 achieving a market share of 52.5% in 2024.

To build our talent pipeline to serve our regional market, we seek to provide internship opportunities to year 2024 university graduates from East Africa Community (EAC) member states. If you are a fresh graduate ready for an exciting one year learning experience and an opportunity to champion innovation and change, we invite you to apply for any of the fields in the following Divisions of the company, which align with your education background:

- **Manufacturing, Engineering & Bodybuilding:** Bachelor's degree in Mechanical, Mechatronics or Electrical Engineering.
- **Sales & Marketing:** Bachelor of Commerce in Marketing, Business related field, Mechanical, Mechatronics or Electrical Engineering.
- **Aftersales & Channel Development:** Bachelor's degree in Logistics, Mechanical or Mechatronics Engineering.
- **Finance & Strategy:** Bachelor's degree in Finance or Accounting, Computer Science or IT related field and Procurement & Supplies Management.
- **HR & Corporate Sustainability:** Bachelor's degree in Project Management, Journalism or Communication and Bachelor of Laws (LLB).

Minimum qualifications are as follows:

- Year of graduation 2024.
- KCSE Mean Grade A- or GPA 3.7
- Upper Second Class Honours degree or GPA of 3.0
- Possession of professional qualifications such as CPA, ACCA, CPS, CIM, CISA, CIPS will be an added advantage.
- Master's degree graduates will be considered subject to meeting minimum KCSE and Bachelor's degree requirements.
